If you have a medical issue that I should be aware of, or if you have any other questions or concerns, please include them here or on the back if you need more room.

EXPECTATIONS:

The Robotics Team meets on Tuesdays after school until 5pm. We will participate in at least three competitions. To prepare for those, we will meet additional days prior to the competition. Those days will be scheduled in advance to allow for transportation arrangements. Additionally, each member must be committed to attend the competitions. They typically begin at 8 am at the Bossier Civic Center. Everyone is responsible for their own transportation to and from the competitions as well as any snacks or drinks during the competition. The \$35 membership fee is due on the first day of attendance and covers the materials and competition registration fees for the school year. A member T-shirt will also be required for competition at a cost of \$20.

I have read and understand the expectations of the robotics team. Please sign and return to Mrs. Westerfield.
